CourseCreate / CoursePathway	Per academic year. Use is ongoing throughout each academic year. Standard use includes yearlong administration of CourseCreate including teacher and administrator access to online curriculum development tool, Common Core State Standards resources, CoursePathway report, and resource bank.	X		\$5,500.00	10%	\$4,950.00
ThinkReady	Per academic year. We recommend two administrations per academic year. Standard use includes two administrations of ThinkReady online tool – one in Fall and one in Spring – including teacher and administrator access to task bank, professional development, and resource bank; student-, classroom-, and school-level reports; and technical support during administration.	X		\$5,500.00	10%	\$4,950.00
CampusReady	Per administration. We recommend one administration per academic year. Standard use includes single administration of CampusReady, including technical support during administration; online reports; access to resource bank; and walkthrough of online reports post administration.		X	\$5,500.00	10%	\$4,950.00
Onsite Workshop	Per workshop, single day. Each additional day in single workshop increases the price by \$5,500. Onsite workshop facilitated by 4 EPIC staff members addresses school or district priorities as negotiated with EPIC staff ahead of time. Includes up to 100 participants from a school, district, or region. Community members, college faculty, or other partners may be included as workshop participants. Participants must RSVP prior to workshop. For workshops with additional participants or facilitators, custom pricing can be negotiated. Costs for travel associated with an onsite workshop will be added to the cost of the workshop, and will be billed at-cost.		X	\$11,500.00	5%	\$10,925.00
Webinar	Per webinar, one hour. Each additional hour in a single webinar costs \$300 extra. Webinar facilitated by 2 EPIC staff members addresses a predetermined topic of interest to the school or district. Up to 200 participants from a school, district, or region may attend. Community members, college faculty, or other partners may be included as webinar participants. Participants must RSVP prior to webinar. For webinars with additional participants or facilitators, custom pricing can be negotiated.		X	\$450.00	5%	\$427.50
Customized data extract	Customized data extracts are available for ThinkReady and CampusReady. This price covers an extract of the raw data, with guidelines for interpretation. Customized analysis of this data can be negotiated for additional fees, which vary based on the extent and complexity of analysis requested.		X	\$3,600.00	10%	\$3,240.00
Upload of sets of standards	For each additional standard set that needs to be added to the CourseCreate system, an upload fee is charged to cover staff costs. This fee is only required the first time the standards are uploaded, for any school, so it is a one-time fee per standard set. If standard sets are revised, a custom fee can be negotiated for updating the standards in our database based on the extent of the revision.		X	\$3,600.00	5%	\$3,420.00
